

A Winning Retail Platform

Do you have a plan to engage today's buyer?

Today's consumers have certain expectations when they shop online. Data shows personalized, meaningful engagement with speed and ease to deliver insights and answers they need are the keys to winning. Dealers who take advantage of the right tech will meet and exceed the demands of today's buyers. Those who don't will fall behind.

Connect Better, Sell More

- › Give engaging, personalized digital experiences
 - › Never leave a website lead unattended
 - › Recognize more kept appointments
 - › Speed up the sales process
- Increase the number of lifelong customers

A connected retail platform

CarNow is a dealer retail platform with tools that generate high-converting leads through personalized engagement. Our technology enables shoppers to move quickly and comfortably through the sales process.

CONNECT AND ENGAGE

Chat & Messaging

CarNow offers a chat and messaging solution that drives and engages leads like no one else. Dealers enjoy remarkable results with our conversational calls-to-action, live-assisted conversations and video chat, and other next-level tools, dealers. Get the results you want by offering the experiences your customers want.

CONVERT LEADS

Digital Retail

Our digital retail platform connects your virtual and in-store showroom like never before. Our tools enable your website to easily bring shoppers deeper into the sales funnel with non-intrusive tools that value a trade, pull credit, schedule an appointment, start a digital retailing session, and more.

CLOSE DEALS FAST

Showroom Dealmaker

Empower your team to pick up a sale form anywhere in the process to pencil and close at the dealership. This powerful tool puts you in lockstep with all your buyers. Adding digital sophistication to your process decreases time to sale, boosts customer satisfaction, and drives more sales
