# Step 1

- Login to the backend of All Auto Network:  
<https://www.allautonetWORK.com/index.php?f=login>
- You will land on your dealer profile page. Click **Site Content Manager**

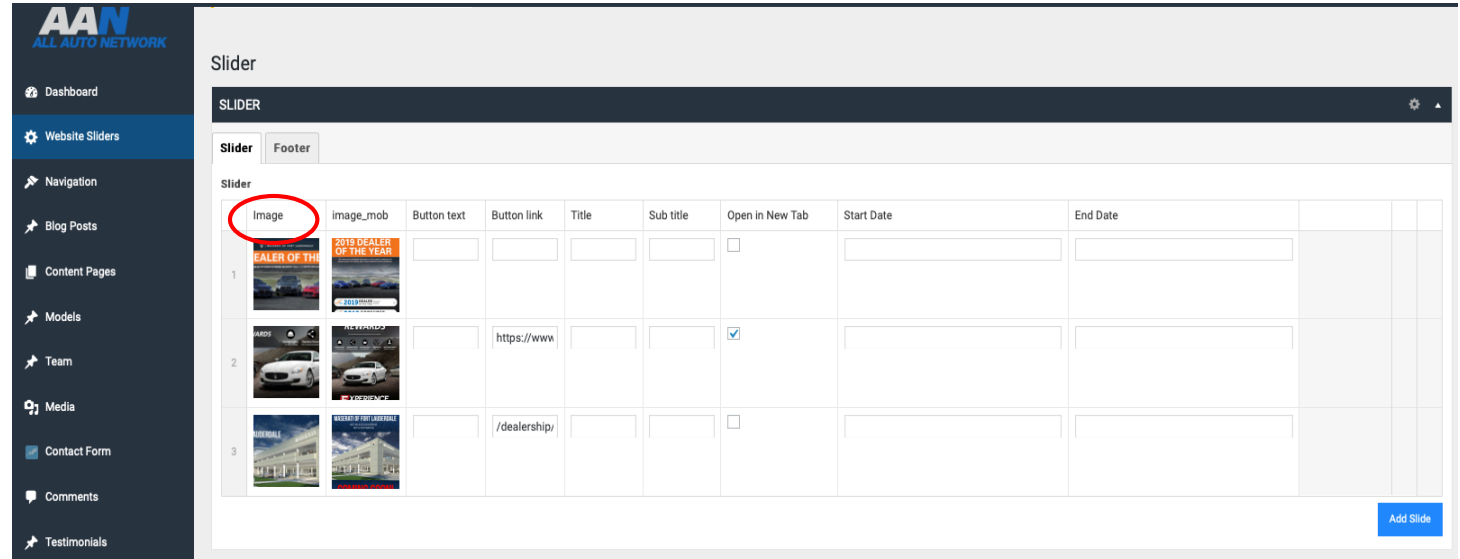

## Step 2

- You will then land on your content management landing page.
- From here, you will click on **Website Sliders** in the left navigation pane

## Step 3

- Once on the Website Sliders page, on the left in the **Image** column is where you will upload your desktop image.
- The preferred size is **1920x1080**.

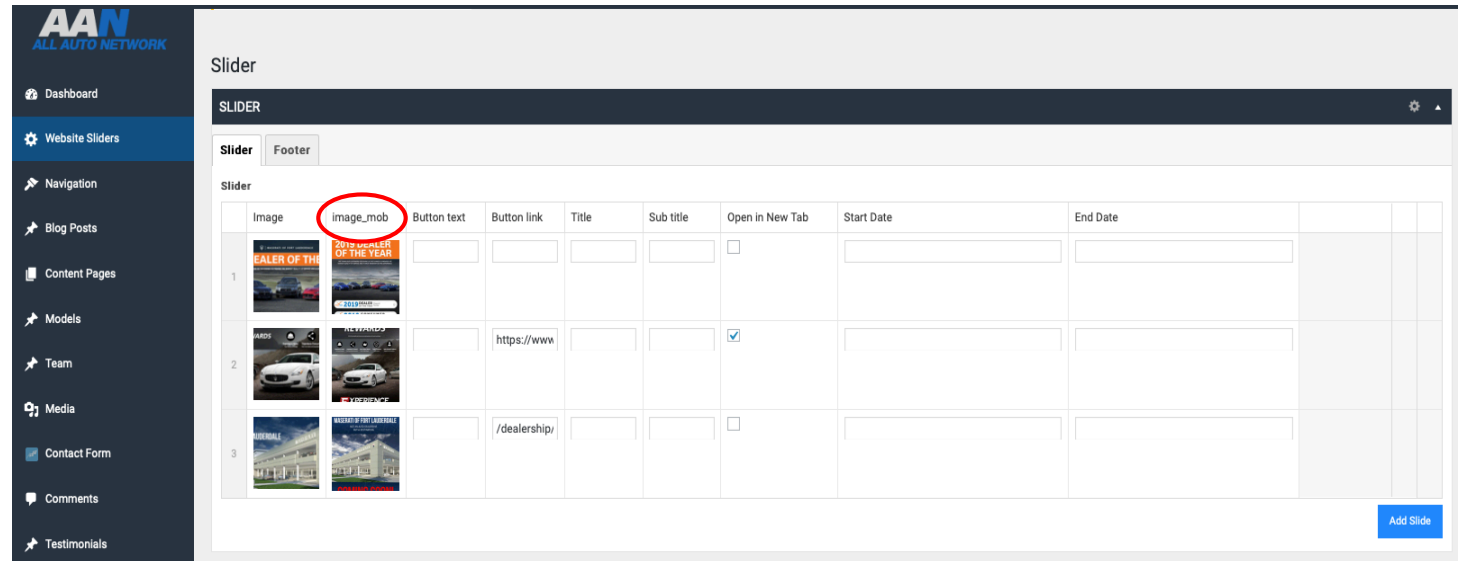

The screenshot displays the 'Slider' management page in the AAN (All Auto Network) dashboard. The left sidebar contains navigation links: Dashboard, Website Sliders (active), Navigation, Blog Posts, Content Pages, Models, Team, Media, Contact Form, Comments, and Testimonials. The main content area is titled 'Slider' and features a table for managing sliders. The table has columns: Image, image\_mob, Button text, Button link, Title, Sub title, Open in New Tab, Start Date, and End Date. The 'Image' column is highlighted with a red circle. There are three rows of slider data. A blue 'Add Slide' button is located at the bottom right of the table.

## Step 5

The screenshot shows the AAN All Auto Network website sliders management interface. The sidebar on the left contains navigation options: Dashboard, Website Sliders (selected), Navigation, Blog Posts, Content Pages, Models, Team, Media, Contact Form, Comments, and Testimonials. The main area is titled 'Slider' and contains a table for managing sliders. The table has columns: Image, image\_mob, Button text, Button link, Title, Sub title, Open in New Tab, Start Date, and End Date. The 'Button text' column is circled in red. The table contains three rows of sliders, each with a corresponding image and button text.

	Image	image_mob	Button text	Button link	Title	Sub title	Open in New Tab	Start Date	End Date
1							<input type="checkbox"/>		
2				https://www			<input checked="" type="checkbox"/>		
3				/dealership/			<input type="checkbox"/>		

An 'Add Slide' button is located at the bottom right of the table.

- **Button text** : this is the text that you add that will show up on the button. This is optional. Example: View Inventory/Schedule Test Drive/Apply Now!
- **Button link** : this is where you input the link where the button will take you. If you don't have a button on your image, not a problem. You can still add a link and if they click on the image, it will take them to your preferred destination.
- **Title and sub title** : if you so choose, you can add a text overlay on your image here.
- **Open in new tab** : check this box to open a new tab once the slider is clicked.
- **Start date & end date** : this is where you control how long you want the sliders to be up for. Once they expire, they will not show up on your homepage.

# Step 1

- Login to the backend of Dealer.com
- Mouse over Welcome in the top nav bar
- Click Website

## Step 2

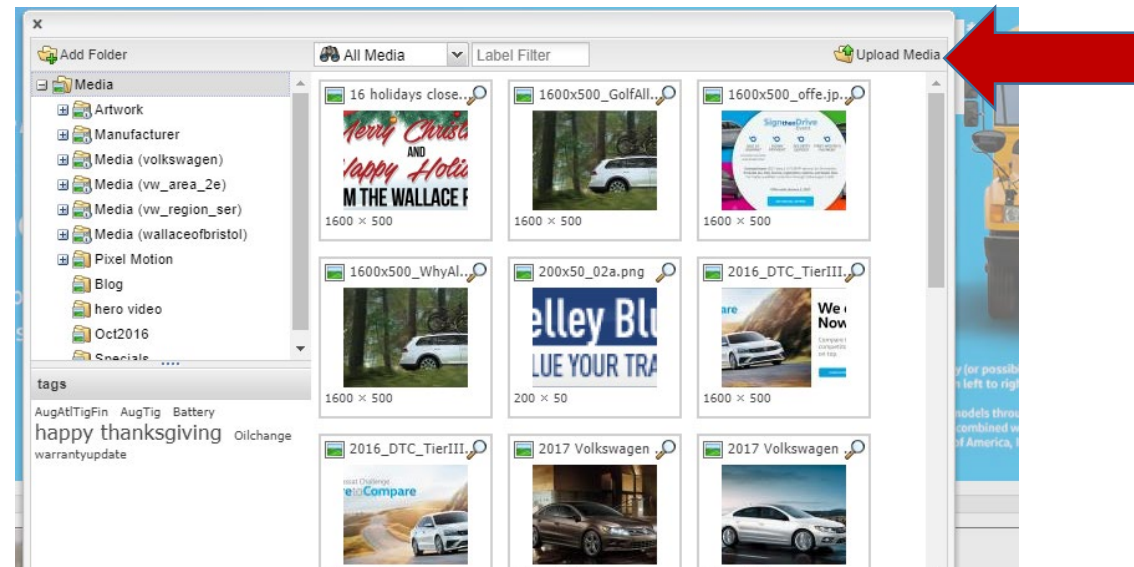

- Mouse over the slideshow on your homepage
- Click Edit Slideshow

## Step 3

- Click Add Slide
- Click Upload Media and choose the image from your files that you would like to use

## Step 4

- Once you have uploaded your new slide, you will fill out the content/info
- Link URL: choose a destination link for users who click on the slide (often a specials page/inventory SRP or VDP)
- Device visibility: Choose between all devices/desktop only or mobile only
- Date range: Choose the dates in which you want the slide to display
  - Slides will automatically come down from the site upon the expiration date
- Disclaimer/Button Placement/Text
  - You can choose to show a disclaimer button in which you will house all disclaimer text
- \*You can change the order of slides by clicking and dragging\*

**Settings**

## Step 5

- Once all info has been added to your slide and it is in the position that you want, click Save
- You have successfully added a slide to your homepage

The screenshot shows a configuration panel for a slide. On the left is a preview of the slide with a repeating pattern of 'PER-BUMPER' and a blue button labeled 'SPECIAL OFFERS'. The configuration panel on the right includes the following fields:

- Target:** A dropdown menu.
- Device Visibility:** A label followed by the instruction 'Choose to display on desktop, mobile, or both platforms.' and a dropdown menu set to 'All Devices'.
- Date Range:** A label followed by the instruction 'Choose a date range to display this slide.' and a date range field showing '09/04/2018 - 12/31/2019' with a calendar icon.
- Disclaimer:** A dropdown menu set to 'Disabled'.
- Disclaimer Button Placement:** A dropdown menu set to 'Top-Right by Default'.
- Disclaimer Text:** A text area with a rich text editor toolbar containing icons for bold, italic, underline, font size, text color, and background color.

At the bottom right of the panel are two buttons: 'Save' and 'Cancel'. A large red arrow points directly to the 'Save' button.

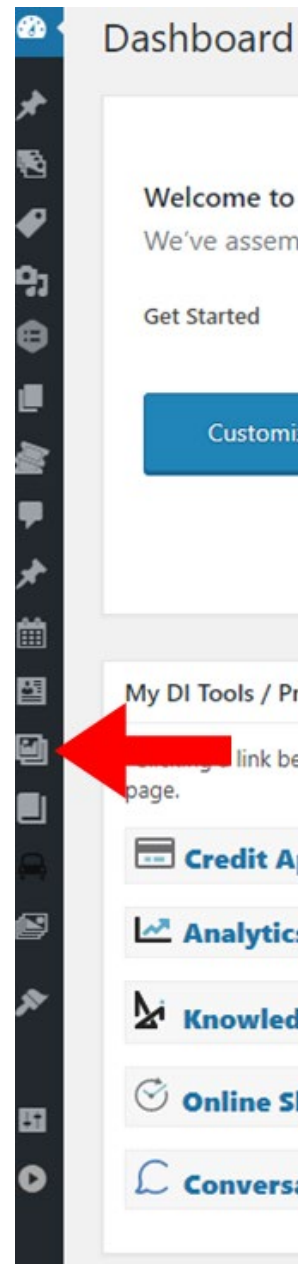

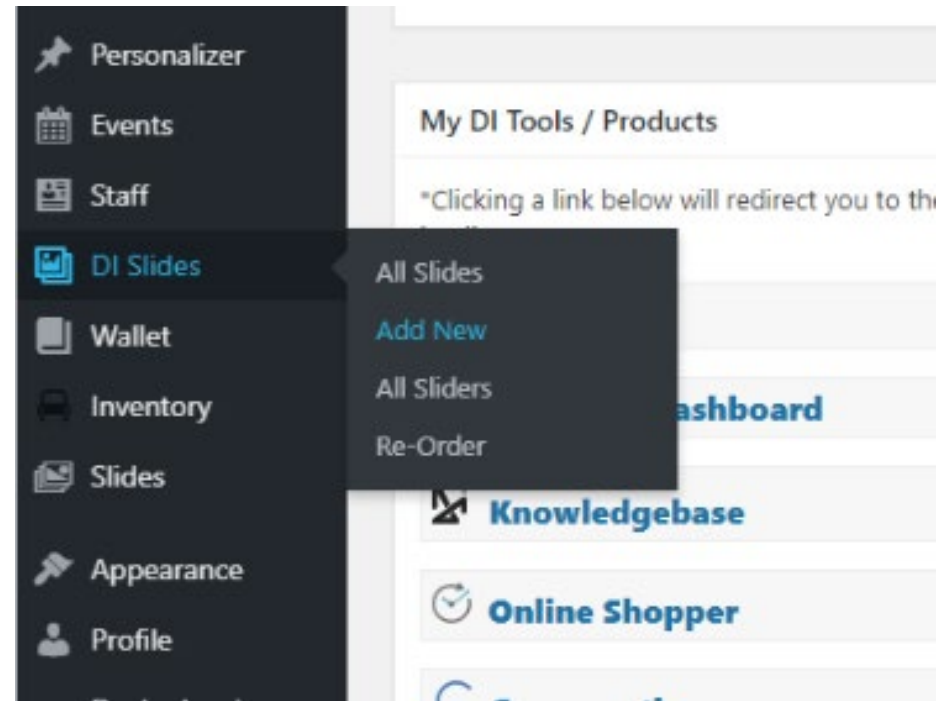

# Step 1

- To access the backend portal, append "/admin" to your DealerInspire site's URL
  - You will then be prompted to input your login credentials
- Once in the dashboard, Go to "DI Slides"

## Step 2

- Click "Add New"

## Step 3

- Title Your Slide
- Choose either an image slide or video slide
- Upload the image that you would like to use for the slider
  - Click "Choose Desktop Slide Image"
    - The same image will automatically populate for the mobile image

The screenshot shows the 'Add New Slide' form with three sections. The first section is for titling the slide. The second section is for choosing the slide type (Image or Video). The third section is for uploading images, with separate fields for Desktop and Mobile images. Arrows from the list on the left point to these specific fields: 'Title Your Slide' points to the title input, 'Choose either an image slide or video slide' points to the 'Image' button, and 'Upload the image that you would like to use for the slider' points to the 'Choose Desktop Slide Image' button.

#### Edit Banner Details

We use expired dates. This should not be assumed as valid through.  
Example: If a banner needs to show all day on May 31st, please set June 1st 12:00 AM (MIDNIGHT) or May 31st 11:59 PM as the expiration date. The logic is to expire on the date and time listed. C.A.M. banners respect the times listed.
